

Shadow Puppet

What you will need:

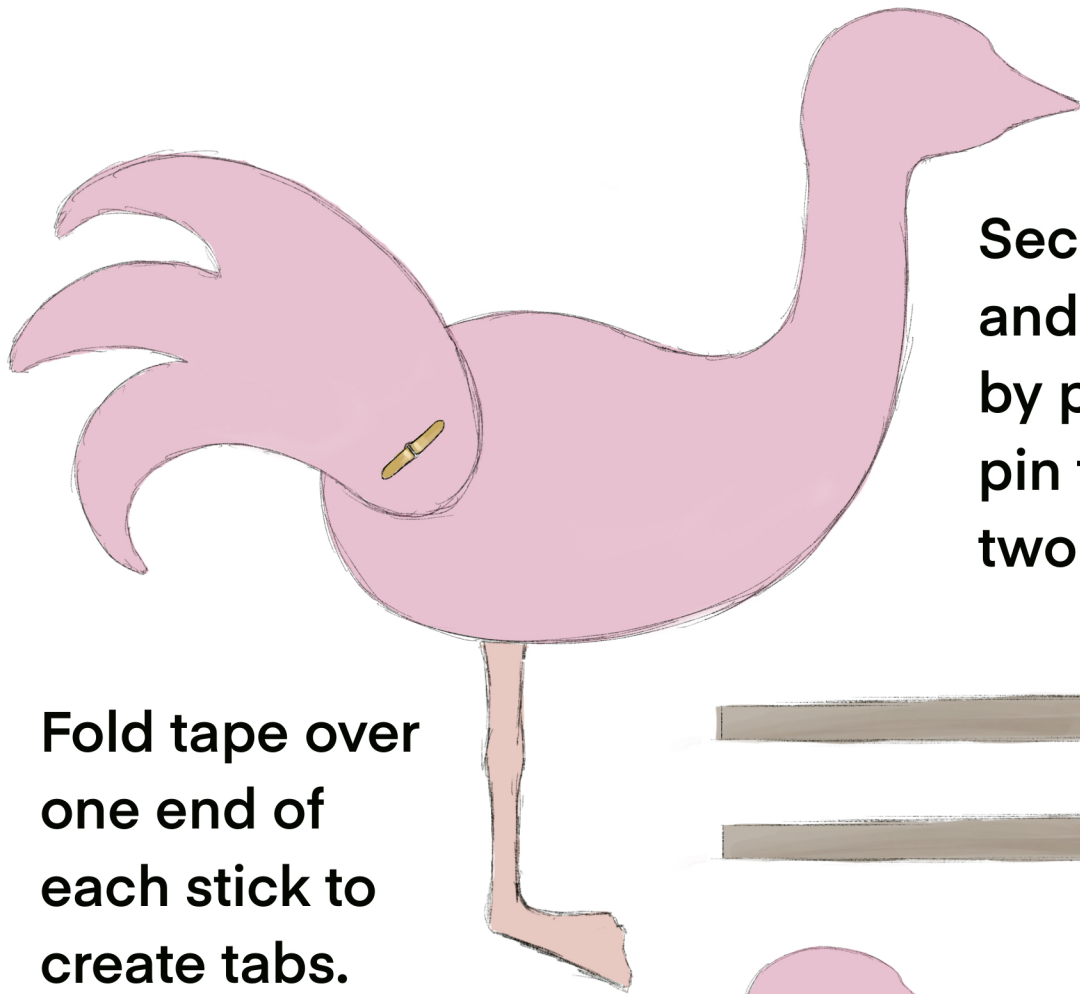

Card, scissors, a split pin, a pen, 2 sticks and masking tape.

Draw and cut out the bird's body and tail seperetly.

Use a hole punch to make a hole in the tail and body.

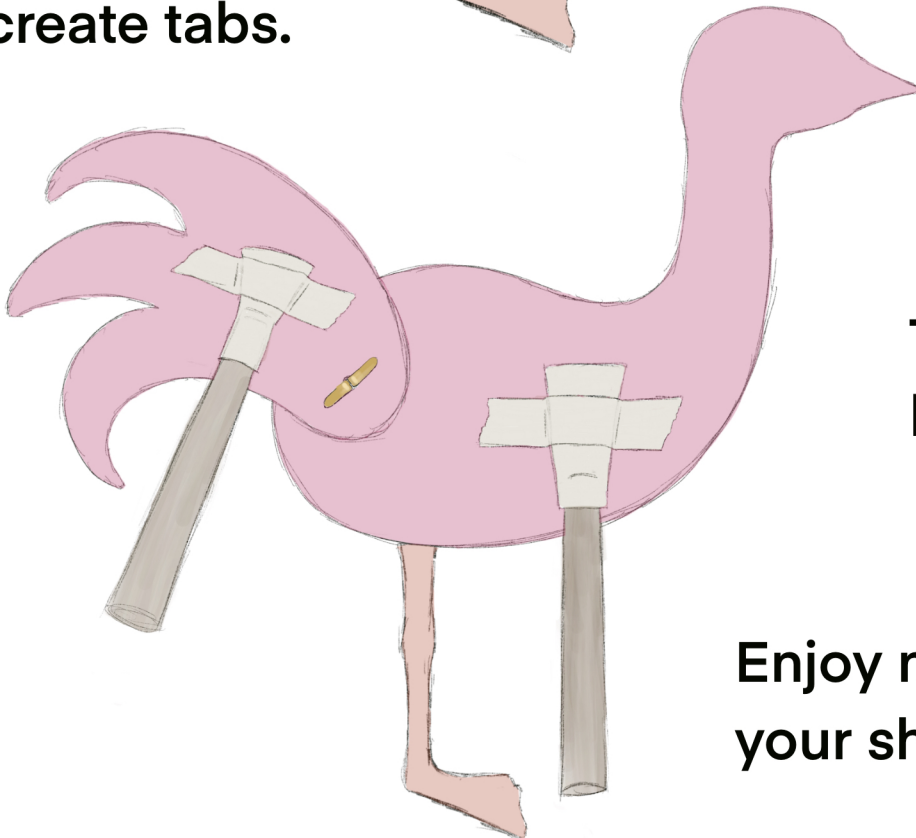

Shadow Puppet

Secure the body and tail together by placing a split pin through the two holes.

Fold tape over one end of each stick to create tabs.

Tape the tabs to the body and tail.

Enjoy making stories with your shadow puppet!
